Remind101:

To receive class communication via text message, all parents and students **SHOULD SIGN UP** for Remind 101. Text the number **81010** with the following message (according to class period)...

Class Period	Message
1 st	@drleavy01
2 nd	@drleavy02
3 rd	@drleavy03
5 th	@drleavy05
6 th	@drleavy06
7 th	@drleavy07

****Email & Remind101 are the preferred methods of contact****

Course Overview: Integrated Math I is the first in a series of three integrated math courses. This course emphasizes linear and exponential expressions, equations, and functions. This course also focuses on geometric congruence and interpreting linear models from quantitative data. Students continue their learning and understanding of categorical and quantitative data. Students are introduced to reasoning with equations by solving systems of equations in two variables. Students will take the TNReady assessment which counts 25% of the second semester grade. The following topics will be covered in this course;

- 1) Quantities and Relationships
- 2) Sequence
- 3) Linear Functions
- 4) Modeling Linear Relationships
- 5) Linear Equations and Inequalities, 6) Systems of Equations and Inequalities, 7) Exponential Functions,
- 8) Geometry, 9) Statistics

Classroom Expectations:

- **Mask** must be worn at all times, NO EXCEPTIONS
- **Practice Social distance**, maintain 6 feet distance from others
- No gatherings in groups (by the door or in the classroom)
- Follow dress code
- Actively participate in all lessons & ask for help when needed
- Respect each other's space at all times
- Be Respectful of Yourself and Others
- Use a Pencil or Erasable Pen (ONLY)
- No Profanity
- No food or drink allowed in class (**only bottles with a sealed top**)

Negative Consequences:

- Verbal/Non-Verbal Warning
- Student-Teacher Conference
- Parent/Guardian Contact
- Discipline Referral to Principal

Electronic Device Policy:

Yes, technology is a huge part of this course. However, electronic devices are not allowed UNLESS they are being used for instructional purposes. All cell phones, apple watches, air pods, earbuds, or other electronic devices **MUST** be turned **off** or **silenced** BEFORE class and put away in your pocket/bag/purse unless specified otherwise. Devices are not permitted unless in accordance with the lesson activity.

Grading:

The grading scale is as follows:

93-100	A
85-92	B
75-84	C
70-74	D
69 & below	F

Your grade will be determined by the following:

Summative Assessments 70%

(chapter/unit tests, benchmark tests, CFA)

Formative Assessments 30%

(cw, hw, exit tickets, quizzes, check for understanding, etc.)

Assignments: Kiddom is where you will find all assignments; it is IMPORTANT that students login to Kiddom every day (this applies to in-person & distance learner students). Assignments and due dates are in Kiddom. All assignments are **DUE** on the designated due date. Logging in to Kiddom regularly and completing assignments on time will help you succeed in this class!

Copying work is **unacceptable** and will earn a grade of a 0% (F); followed by a parent phone call.

Copying is defined as...

- 1) allowing others to copy your work
- 2) copying another student's work
- 3) taking a screen shot of your work and sending it to another student
- 4) receiving a screen shot of another student's work

****No late assignments will be accepted unless approved by teacher****

Test corrections: Test corrections are allowed for Summative grades only and must be completed before deadline designated by the teacher. ****Due to Test Corrections, there is no Extra Credit****

Test Correction procedure: Students will submit their test answers to their teacher. On line or in-class feedback will be given. Students will be required to complete test corrections and submit work to their teacher. Students will earn 1/2 credit points for each corrected problem.

****This procedure may be adjusted at any time by the teacher****

Absent

- STUDENTS ARE 100% RESPONSIBLE FOR WORK!!!
- Check Kiddom & the class website www.drleavymathlab.weebly.com
- STUDENTS, you are responsible for making up all assignments.

Student Individual Supplies

- 3 ring 1" Binder
 - 2 Composition Books
 - Loose Leaf paper
 - Pencils or Erasable Pens
 - 6 Glue Sticks
 - Highlighters
 - Headphones /Earbuds (*ability to connect to computer*)
 - TI 84 CE or TI-Nspire CX calculator (*optional*)
- **If you have your own laptop, iPad, tablet, or calculator, I strongly encourage you to bring them to class.

Due to COVID-19 there will be no sharing of supplies in class.

Need Technical Support???

If you have issues accessing Kiddom or any of your assignments follow the trouble shooting reference sheet, located on the class website www.drleavymathlab.weebly.com
